SUMMARY

First-year BSc Computer Science & AI student at Scaler School of Technology. I learn by building projects in Python, SQL and web development, and I enjoy problem solving and DSA. Currently exploring which area of tech I want to specialise in.

EDUCATION

BSc in Computer Science & AI 2026 – Present
Scaler School of Technology

CBSE Grade XII (AISSCE), Computer Science – 93% 2025 – 2026
Spring Mount Public School, Tirupur

CBSE Grade X (AISSE) – 96%
Spring Mount Public School, Tirupur

PROJECTS

Textile Management System Python, MySQL

- Built a console application that manages a textile business with 8 linked MySQL tables: buyers, suppliers, inventory, orders, supplier orders, employees, shipping and payments.
- Implemented insert, update, delete, view and search operations for every table using `mysql.connector` and SQL queries.
- CBSE Class XII Computer Science project, submitted for the AISSCE practical examination.

Personal Portfolio Website HTML, CSS

- Designed a responsive developer portfolio with a CSS Grid bento layout, a sticky navbar, hover transitions, keyframe animations and a custom cursor.
- Built with plain HTML and CSS, with no JavaScript or frameworks; layouts adapt across desktop, tablet and phone using media queries.

Flexbox Quest (Mini Game Interface) HTML, CSS, Flexbox

- Built a responsive game-style UI (header, game area, controls, inventory and quest panels) using only Flexbox, the box model and media queries.

Student Portal HTML, CSS

- Built a semantic HTML portal with profile and schedule tables, a skills list and a course registration form using text, email, radio, checkbox and select inputs, styled with CSS selectors.

SKILLS

Languages	Python, Java, SQL
Web	HTML, CSS (Flexbox, Grid, responsive design, animations)
Tools	Git, GitHub, MySQL, VS Code
Learning	Data Structures & Algorithms, JavaScript, Node.js

ACHIEVEMENTS

- **2nd place**, Abacus competition, Level 6 (Advance 2), Tamil Nadu West.
- **2nd place** in both Singles and Doubles, U-19 category, Tirupur Sahodaya Table Tennis.

INTERESTS

Table tennis, cricket, lawn tennis, pickleball, mobile games and movies.
